

TUC Youth - Video Recording Schedule

Each of us are called to serve God in many different ways. One very important and appreciated ministry in our church is the video recording of the worship service. Our members that cannot attend church every Sunday very much appreciate being able to worship with us by receiving a copy of your recording. Please take note of when your name appears on the schedule and plan to be present that Sunday.

If you cannot be at worship the Sunday for which you are scheduled, **please trade with someone else on the list**

Thank You
